

SKU: DEP 0005

Deploy

The Deploy is a mobile workstation with up to 16U of vertical rack-mount space. Ideal for both studio and on-location use, the Deploy is fit for travel with INOVATIV's EVO Wheel System on the front and 20" traction wheels in the rear. EVO Wheels swivel for navigation, include foot brakes for safety, and can be removed if needed. The 20" rear wheels improve mobility over uneven surfaces or rugged terrain.
